

TORRE DEL MARINO

# Ambitio

An "Ambitious" white wine of complexity and art in blending.

**HARVEST:** In September our winemakers select only the most mature parts of the vineyard for specialized machine harvesting. Made from organic grapes.

**VINIFICATION:** After a soft pressing, vinification takes place in stainless steel tanks with about 20% of the wine vinified in 500 liter oak barriques. Then careful aging on the lees produces a wine that brings out the fragrances and aromatic character of the grapes.

**TASTING NOTES:** A unique, complex full-bodied white wine with aromas of dried fruits, pineapple and apricot. The flavor is distinct and full with a slightly honeyed finish.

**Alcohol Content** 13% by Volume  
**Grape Varieties** Proprietary blend of Famoso and Albana grapes  
**Size** 750 ml  
**Suggested Serving Temperature** 8-10°C.

## Serving Suggestions

Ambitio is a match for most all fish dishes, veggie menus and mature cheeses. The wine goes very well with cheese or lobster ravioli and grilled chicken or pork.
