

TORRE DEL MARINO

Creste Rosso

A rich, lively red wine with smooth tannins, our Creste Rosso is an expression of the luscious fruit of our vineyards.

HARVEST: Mechanically harvested in September our winemakers select only the most mature grapes for each vintage. Made from organic grapes.

VINIFICATION: After about 15 days of skin-contact maturation, fermentation takes place in temperature controlled stainless steel tanks and is refined in concrete tanks.

TASTING NOTES: Creste Rosso has a brilliant ruby color and the nose offers aromas of cherries, raspberries and red fruits. The fruit carries through in the flavor along with juicy acidity and a dry, smooth finish.
